Remarks

As documented by the enclosed copy of the postcard from U.S. PTO dated 07/18/2003, all items required for a Nonprovisional application were received at the time of application, and no notation appears on the postcard indicating that any of the listed items were not received. It is respectfully requested that the Notice of Omitted Item(s) in a Nonprovisional Application, dated March 4, 2004, be withdrawn, and that the filing date of July 18, 2003 be maintained. It is also requested that the \$130.00 fee for the subject Petition to the Commissioner be refunded.

We have enclosed copies of pages 1 and 2 from a related case, U.S. Patent Application No. 10/622,215, for your review. There are two minor differences between pages 1 and 2 of U.S. Patent Application No. 10/622,233 (the present application) and pages 1 and 2 of U.S. Patent Application No. 10/622,215. The first difference is that in paragraph [0001], the same two Provisional Patent Applications are listed, but not in the same order. The second difference is that in paragraph [0009], U.S. Patent Application No. 10/622,215 references U.S. Patent Application No. 10/622,233, and vice versa.
